

Alert24

Features and Benefits

Alert24 provides all the latest developments in key areas of New Zealand law. Subscribers receive email information about the latest developments in cases, legislation, news and policies in their selected areas.

The frequency of the email for each topic is chosen by subscribers: you may elect to receive emails every working day, or you may choose delivery once a week. Whatever frequency is chosen, you will receive information on the latest developments as everything is continuously updated by our team of trained legal editors.

Importantly, **Alert24**

- Saves you time – now there is no need to seek multiple sources of information.
- Provides the tool for the efficient distribution of Information within any practice.
- Allows you to pay only for what you need.

Features

- Customised delivery – allows you to customise the format, timing and content.
- Wide range of topics – 21 now available.
- An 'easy to search' online archive providing subscribers access to all previous news items.
- Guaranteed delivery of emails by 9.30am each working day.
- Direct linkage to *BriefCase* (our premier database of NZ case law) if you are a current *BriefCase* subscriber.
- Australian legal topics. Similarly arranged by topic, this option allows subscribers direct access to latest Australian legal developments.

Topics Covered

Subscribers can choose any or all of the following topics;

Alternative Dispute Resolution

Covers both arbitration and mediation including awards, enforcement, appeals, and appointments.

Bankruptcy and Insolvency

Covers personal and corporate insolvency, including statutory demands, receiverships, and liquidation.

Building and Construction

Covers building and infrastructure projects, construction contracts disputes, and leaky buildings.

Business of Law

Anything and everything to do with the business of managing a law firm, including best practice, people/HR, business development, and practice management. Also includes information on continuing legal education and events. Covers private practice, government, and corporate counsel.

Case Law

All cases summarised by the Thomson Brookers' editors in the previous 24 hours. Cases are allocated both to the Case Law topic as well as other relevant topic areas, and include a link through to *BriefCase* online.

Civil Procedure

Court practice and procedure, appeals, evidence, and litigation.

Commercial

- Banking & Finance, consumer credit, interest rates and insurance, competition and trade practices governed by the Fair Trading Act 1986.
- General commercial law: consumer law, sale of goods, partnership, trusts and Equity.
- The law relating to contracts including application and principles, partnerships, parties, unconscionable conduct, remedies, case and statute law.

Companies and Securities

Companies Act legislation, including formation and incorporation, takeovers and reconstructions, and insolvency.

Currency

Alert24 is a subscription service and updated daily.

Other Formats

Alert24 is only available as an email-based current awareness service.

Standard Price (GST not included)

Standard annual licence fee (1-5 users) per topic \$195.00.

Please note that this is a standard entry-level price and may be varied if there are more users or if customers enter into an Information Supply Agreement with Thomson Brookers.
