

BROOKERS COMPANY PRECEDENTS

FEATURES AND BENEFITS

Brookers Company Precedents brings together the documents needed to comply with all the actions necessary for establishing and administering a company in New Zealand.

The content of *Brookers Company Precedents* has been organised to follow the structure of the Companies Act 1993 - logically moving from the birth to the death of a company.

Each topic area cross-references itself to the corresponding part and section of the Companies Act 1993. Subscribers to *Brookers Company Law Online* are able to move easily to the relevant legislation or commentary and analysis.

Frequently-used prescribed forms are stored in a separate document repository called "Quick Find". This provides fast, easy access to the following documents without having to locate them within the context of other precedents content:

- Prescribed forms from the Companies Act 1993 Regulations 1994;
- Form of financial statements for exempt company from the Financial Reporting Order 1994.

Brookers Company Precedents also contains useful information on fees, and on filing documents in the Companies Office.

EASILY CUSTOMISABLE

Each title in the *Brookers Precedents* series consists of a collection of documents which can be used with MS Word 97 or higher. The software enables you to insert commonly-used information only once (eg, names, dates and addresses) and each form will be automatically completed.

- Brookers software guides you through each section which needs to be completed.
- Use the software to reformat documents to meet your particular needs. Add your logo – and automatically renumber paragraphs if necessary.
