

# McGECHAN ON PROCEDURE ONLINE

## FEATURES AND BENEFITS

### **McGechan on Procedure is New Zealand's leading and most-cited text on civil procedure.**

*McGechan* focuses on civil procedure in the High Court, Court of Appeal and Supreme Court. The work takes a practical approach, placing the technical rules of superior Court procedure in their practical and jurisdictional context.

*McGechan on Procedure* is designed as a legal practitioner's manual, rather than a reference book.

The practical focus is found throughout, with *McGechan* structured for accessibility: current consolidated legislation, with accompanying section-by-section and rule-by-rule commentary, set out in headed paragraphs. Extensive cross-references allow easy access to related rules and provisions.

- The intuitive Legislation Title Search Assistant makes it easy to find an Act or Regulation without knowing its exact title.

### Navigation

- Research Trail feature allows you to back-track to a document accessed earlier in your session – so you never get lost;
- Related Content Menus. Brookers Online databases are fully integrated, meaning you will be able to link to any case law or precedents which relate to the legislation you have accessed, or vice versa;

For example, you can view commentary on the High Court Rules from *McGechan on Procedure* while you are using the Brookers *Company Law* database (subscription to both products required).

### Printing
