"What's New" keeps subscribers updated with all changes made to a database on a daily basis. Brookers Online includes the following easy-to-use features:

- Search across multiple Brookers Online databases simultaneously using the powerful MegaSearch feature;
- Search from any page. Use the "quick search" feature on any page to perform a simple free-text or document title search across a database;
- The intuitive Legislation Title Search Assistant makes it easy to find an Act or Regulation without knowing its exact title.

### Navigation

- Research Trail feature allows you to back-track to a document accessed earlier in your session – so you never get lost;
- Related Content Menus. Brookers Online databases are fully integrated, meaning you will be able to link to any case law or precedents which relate to the legislation you have accessed, or vice versa;
- Preview Pane. Sometimes Related Content menus contain large numbers of links (such as case law related to frequently cited Acts). Here you can use the Preview Pane to "take a peek" at the linked documents without losing your place;
- Commentary Anywhere. Because Brookers Online is fully integrated, you can view legislative commentary from any product which contains the same legislation. For example, you can view commentary on the High Court Rules from *McGechan on Procedure* while you are using the Brookers *Company Law* database (subscription to both products required).

### Printing

- "Print this Document" means you can print the page you're looking at easily and quickly;
- "My Selections" lets you select multiple documents to print as you go and compile them at the end of your session to a single print-out, or export them to PDF;
- "Export to PDF" is particularly useful for creating PDFs of whole Acts or Regulations.

### Other Features

- Bookmarking. Add a document or frequently-used search to your "Favourites" menu and find things faster next time;
- Email. Use the Email Link features to send a link to a document to a colleague;
- Hide/Show. Brookers Online displays commentary and annotations section-by-section by default. You can hide this to read legislation on your screen faster, or to exclude the commentary and annotations from your print version.
