

BROOKERS PATENTS PRECEDENTS

FEATURES AND BENEFITS

Brookers Patents Precedents brings together the precedents, forms, procedures and information necessary to manage the grant, maintenance and revocation of patents in New Zealand.

A patent confers a monopoly right for up to 20 years. Close guardianship of this right is crucial, including renewal at specific periods. The information in *Brookers Patents Precedents* will guide patent attorneys, legal practitioners and others who are required to oversee the grant of a patent through all steps of the process.

The precedents, forms and other desktop tools are supplemented with extensive commentary from the author, who worked in the New Zealand Patent Office for many years. The commentary follows a logical sequence, combining legislative references with extensive links to the appropriate documents.

Brookers Patents Precedents is an ideal resource for any law firm or legal practitioner required to provide advice on patents from time to time. Its comprehensive coverage also means it is equally appropriate for anyone who specialises in the field and requires a set of customisable precedents and process guides.

EASILY CUSTOMISABLE

Each title in the *Brookers Precedents* series consists of a collection of documents which can be used with MS Word 97 or higher. The software enables you to insert commonly-used information only once (eg, names, dates and addresses) and each form will be automatically completed.
