

SALMON ENVIRONMENTAL LAW ONLINE

FEATURES AND BENEFITS

Salmon Environmental Law brings together all the important legislation relevant to regulation and management of the environment in New Zealand.

The legislation is combined with commentary and analysis of relevant cases and decisions and other matters which relate to application of the law. This creates a valuable searchable database of information relating to New Zealand environmental law.

Salmon Environmental Law has a practical focus to highlight matters which are relevant to working with environmental law, as well as analysis and interpretation. In this respect it is an important resource for professionals involved in environmental management and planning, and also for legal practitioners who are required to provide advice on environmental matters.

The commentary provides information on the history of each legislative provision, and includes information on general or specific points of law, on the practical application of a section, and any case law which has an impact upon interpretation.

An experienced editorial advisory panel brings inputs from both a legal and planning perspective, and supports the legally-qualified in-house editorial team.

DELIVERY ON BROOKERS ONLINE

Salmon Environmental Law Online is available on the internet through Brookers Online. Brookers Online is New Zealand's most up-to-date legal online information service. Subscribers are able to view additions or amendments made by a Brookers editor to a piece of legislation or commentary the very next day. "What's New" keeps subscribers updated with all changes made to a database on a daily basis. Brookers Online includes the following easy-to-use features:

Searching

- Search across multiple Brookers Online databases simultaneously using the powerful MegaSearch feature;
- Search from any page. Use the "quick search" feature on any page to perform a simple free-text or document title search across a database;
- The intuitive Legislation Title Search Assistant makes it easy to find an Act or Regulation without knowing its exact title.

Navigation

- Research Trail feature allows you to back-track to a document accessed earlier in your session – so you never get lost;
- Related Content Menus. Brookers Online databases are fully integrated, meaning you will be able to link to any case law or precedents which relate to the legislation you have accessed, or vice versa;
- Preview Pane. Sometimes Related Content menus contain large numbers of links (such as case law related to frequently cited Acts). Here you can use the Preview Pane to "take a peek" at the linked documents without losing your place;
- Commentary Anywhere. Because Brookers Online is fully integrated, you can view legislative commentary from any product which contains the same legislation. For example, you can view commentary on the High Court Rules from *McGechan on Procedure* while you are using the Brookers *Company Law* database (subscription to both products required).

Printing

- "Print this Document" means you can print the page you're looking at easily and quickly;
- "My Selections" lets you select multiple documents to print as you go and compile them at the end of your session to a single print-out, or export them to PDF;
- "Export to PDF" is particularly useful for creating PDFs of whole Acts or Regulations.

Other Features

- Bookmarking. Add a document or frequently-used search to your "Favourites" menu and find things faster next time;
- Email. Use the Email Link features to send a link to a document to a colleague;
- Hide/Show. Brookers Online displays commentary and annotations section-by-section by default. You can hide this to read legislation on your screen faster, or to exclude the commentary and annotations from your print version.

TERMS AND CONDITIONS OF PURCHASE

All products and services purchased from Brookers are subject to the Brookers Ltd Terms and Conditions of Trade. These are available from any representative of Brookers, or may be accessed on the internet at www.brookers.co.nz.
